Medical lab technology course from Sankara Nethralaya Academy

The Sankara Nethralaya Academy (TSNA) offers career-oriented programmes in the field of health care and management, in collaboration with the Tamil Nadu Dr. MGR Medical University. The TSNA has announced admission to its medical laboratory technology course. This three-year B.Sc programme provides extensive hands-on training in the TSNA laboratories and other multi-speciality hospitals. Certificates will be issued by the Tamil Nadu Dr. MGR Medical University.

Eligibility criteria for the course is a pass in Plus Two from any board of education, with high credits in physics, chemistry, and biology/mathematics. Age limit is 17-20 years as on May 1, 2012.

Applications for the course can be collected in person or downloaded from the TSNA website. Duly-completed forms are to be submitted along with the requisite processing fee of Rs. 500 by cash/demand draft in favour of Medical Research Foundation, payable at Chennai.

For further details, contact, Ms. Sreedevi CG, programme coordinator. Phone: 09840655405. Website: thesnacademy.ac.in
