Healthcare pros praise Sankara Nethralaya

NT Bureau

Chennai, Nov 25:

Healthcare administration professionals have showered praise on The Sankara Nethralaya Academy's 'Certificate Course in Hospital Management.'

Participating in the valedictory function, speakers hailed the initiative of Sankara Nethralaya Academy for organising the course for its holistic approach to hospital management, in-depth, wide and well researched content and professional levels of tutoring by the faculty.

Certificates were presented to the fifth batch of successful candidates of the course. About 16 professionals serving in the healthcare industry at various levels had enrolled in this course to hone their administrative and technical skills in the workplace.

The 12-weekend certificate programme in Hospital Management conducted by the Sankara Nethralaya Academy, an education wing Sankara Nethralaya, a unit of Medical Research Foundation passed out successfully on Saturday.

The participants of this course belonging to mid and senior level management positions from

VISION IS THE MISSION

a broad spectrum of health care institutions ranging from single speciality to multi-specialty hospitals found the course to be of great relevance to their vocation in terms of enhancing their skill sets, equipping them to handle direct and related healthcare issues and to organise their departments much better.

A press note said TSNA staff members won praise and admiration for their efforts in making the entire learning experience a memorable one.

After their successful completion of their course, the participants had an interactive session with the founder and president of Sankara Nethralaya Academy Dr S S Badrinath and shared their experiences and received certificates from him.

A Mahalingam, programme coordinator and assistant registrar of Sankara Nethralaya Academy said the next batch of this programme (6th batch) would be commencing from 18 January, 2014.
